HUNTER

The New Hunter 430 is built to perform with all the style and comfort you and your family deserve. Warren Luhrs and the Hunter Design Team have created a boat that is fast, easy to sail, stable

and comfortable.

Thoughtful touches abound, like sail design that incorporates a fractional rig, swept back spreaders and a full roach main. This eliminates the need for a backstay and improves sail efficiency and ease of handling.

The exterior design of the 430 include a wrap-around windshield with cover, integrated main-sheet arch with instrument pod, two-tone non-skid deck, walk-thru tran-

som, and a huge cockpit with wheel steering. A slippery but stable hull design incorporates a bulb wing keel and a spade rudder.

Below deck are the amenities that make Hunter famous. A huge salon with convertible dinette, gourmet galley and twin staterooms, each with enclosed head and shower – a tri-cabin floorplan is also available

R

430

No one else provides you a boat with all the innovations, equipment, comfort or value. See the New 430 at your nearest Hunter dealer today and see why "We're Going the Distance for You."

The Hunter 430 gives you all the flexibility you need in a cruising boat – whether you go for a weekend or the long haul. This boat does it all and does it well.

A raised salon area keeps you in the middle of the fun. The dinette converts to a double berth and the table top stores behind the settee exposing a coffee table.

The gourmet galley, designed for quick snacks or full entertaining, features Corian® countertops, 3-burner stove with oven, double sink, microwave, refrigerator w / separate freezer, and generous storage.

An unexpected pleasure is the forward stateroom and its private head and shower. Teak, ash and holly woods, designer fabrics and good looks prevail.

Navigation station w / space for additional instruments

Private shower, marine head and sink with mirror.

Walk-thru transom with swim ladder, storage and hot & cold shower.

Anchor well w / dual anchor rollers, separate rode storage and optional windlass.

Refrigerator with separate freezer.

50hp freshwater cooled diesel w / 50 gal. fuel tank.

Easy access intergrated halyard and sheet storage.

Integrated Mainsheet arch / instrument panel with lights, stereo speakers, dodger & bimini support.

While everyone else was complaining about the high cost of marine hardware and accessories, Hunter was doing something about it. The Hunter Cruise Pac® was developed to make all the accessories and hardware you need standard equipment. We buy top-quality gear in very large quantities. The result? Equally large savings. The Hunter 430 Cruise Pac® isn't just sails, winches, and running rigging – it's things like an anchor, fire extinguisher, running lights, life jackets – even a copy of the "Basic Cruising Manual" by U.S. Sailing. We invite you to compare the Standard Equipment list below with that of any other manufacturer. You'll discover that Hunter is going the distance for you with more – and better gear. For less.

RIGGING:

- Full batten mainsail w / Batten car & Sail flaking system
- Furling system
- Single-line reefing system led to cockpit
- Mainsail cover
- 110% furling jib with UV cover
