

HUNTER 28

We go the Distance

family refreshing. You'll call it sensational because it was created for comfort and pleasure as well as performance.

Hunter's interior design challenge was not to make furniture fit, but to make people fit. The refreshing spaciousness of the open, airy cabin gives seating and sleeping comfort for six. The huge horseshoe salon is adjacent to an L-shaped galley with stove, easy-access icebox and hot pressure water on tap. The head is aft and so large it incorporates a separate shower seat. The aft cabin sleeps athwartships and assures privacy with a teak bi-fold door.

On deck you'll find the comfort of a deep, well-shaped cockpit with our popular walk-through transom and integrated swim platform and integrated swim platform. Her sailing character has been finely honed with a double spreader fractional rig and our slippery, stabilizing bulb-wing keel. The combination of easy sailing and brisk performance extend the enjoyment from day-sailing to distant vacation cruising.

Bring your family together soon to visit your Hunter dealer and discover sailing excitement with the all new Hunter 28.

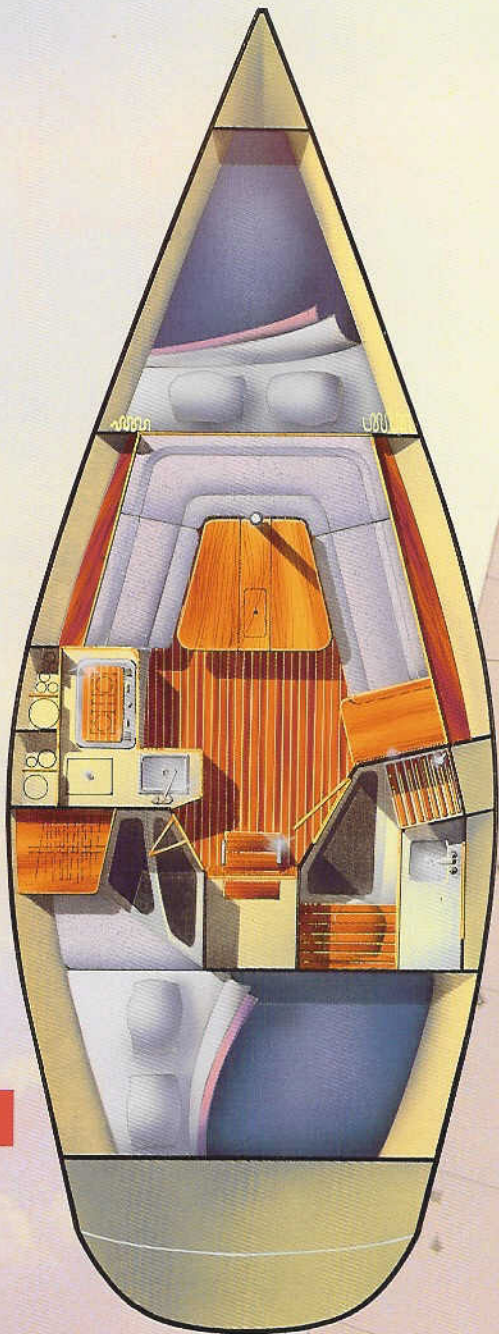

HOME *away from the H*

A removable helm seat opens a functional dimension to the transom. The ease of entry from the water is excellent for swimming, unloading the tender, as well as safety in retrieval. With the helm seat in place and the swim ladder raised, the cockpit returns to its full enclosure. Designed to increase your enjoyment and comfort, the walk-through transom is yet another engineering accomplishment in a sailing craft you will truly enjoy.

With parents working, children in school, and almost everyone involved in other activities, today's house is often little more than a place to sleep rather than a place to gather as a family. Sailing creates a common interest that brings families back together and Hunter makes it easy, safe and affordable.

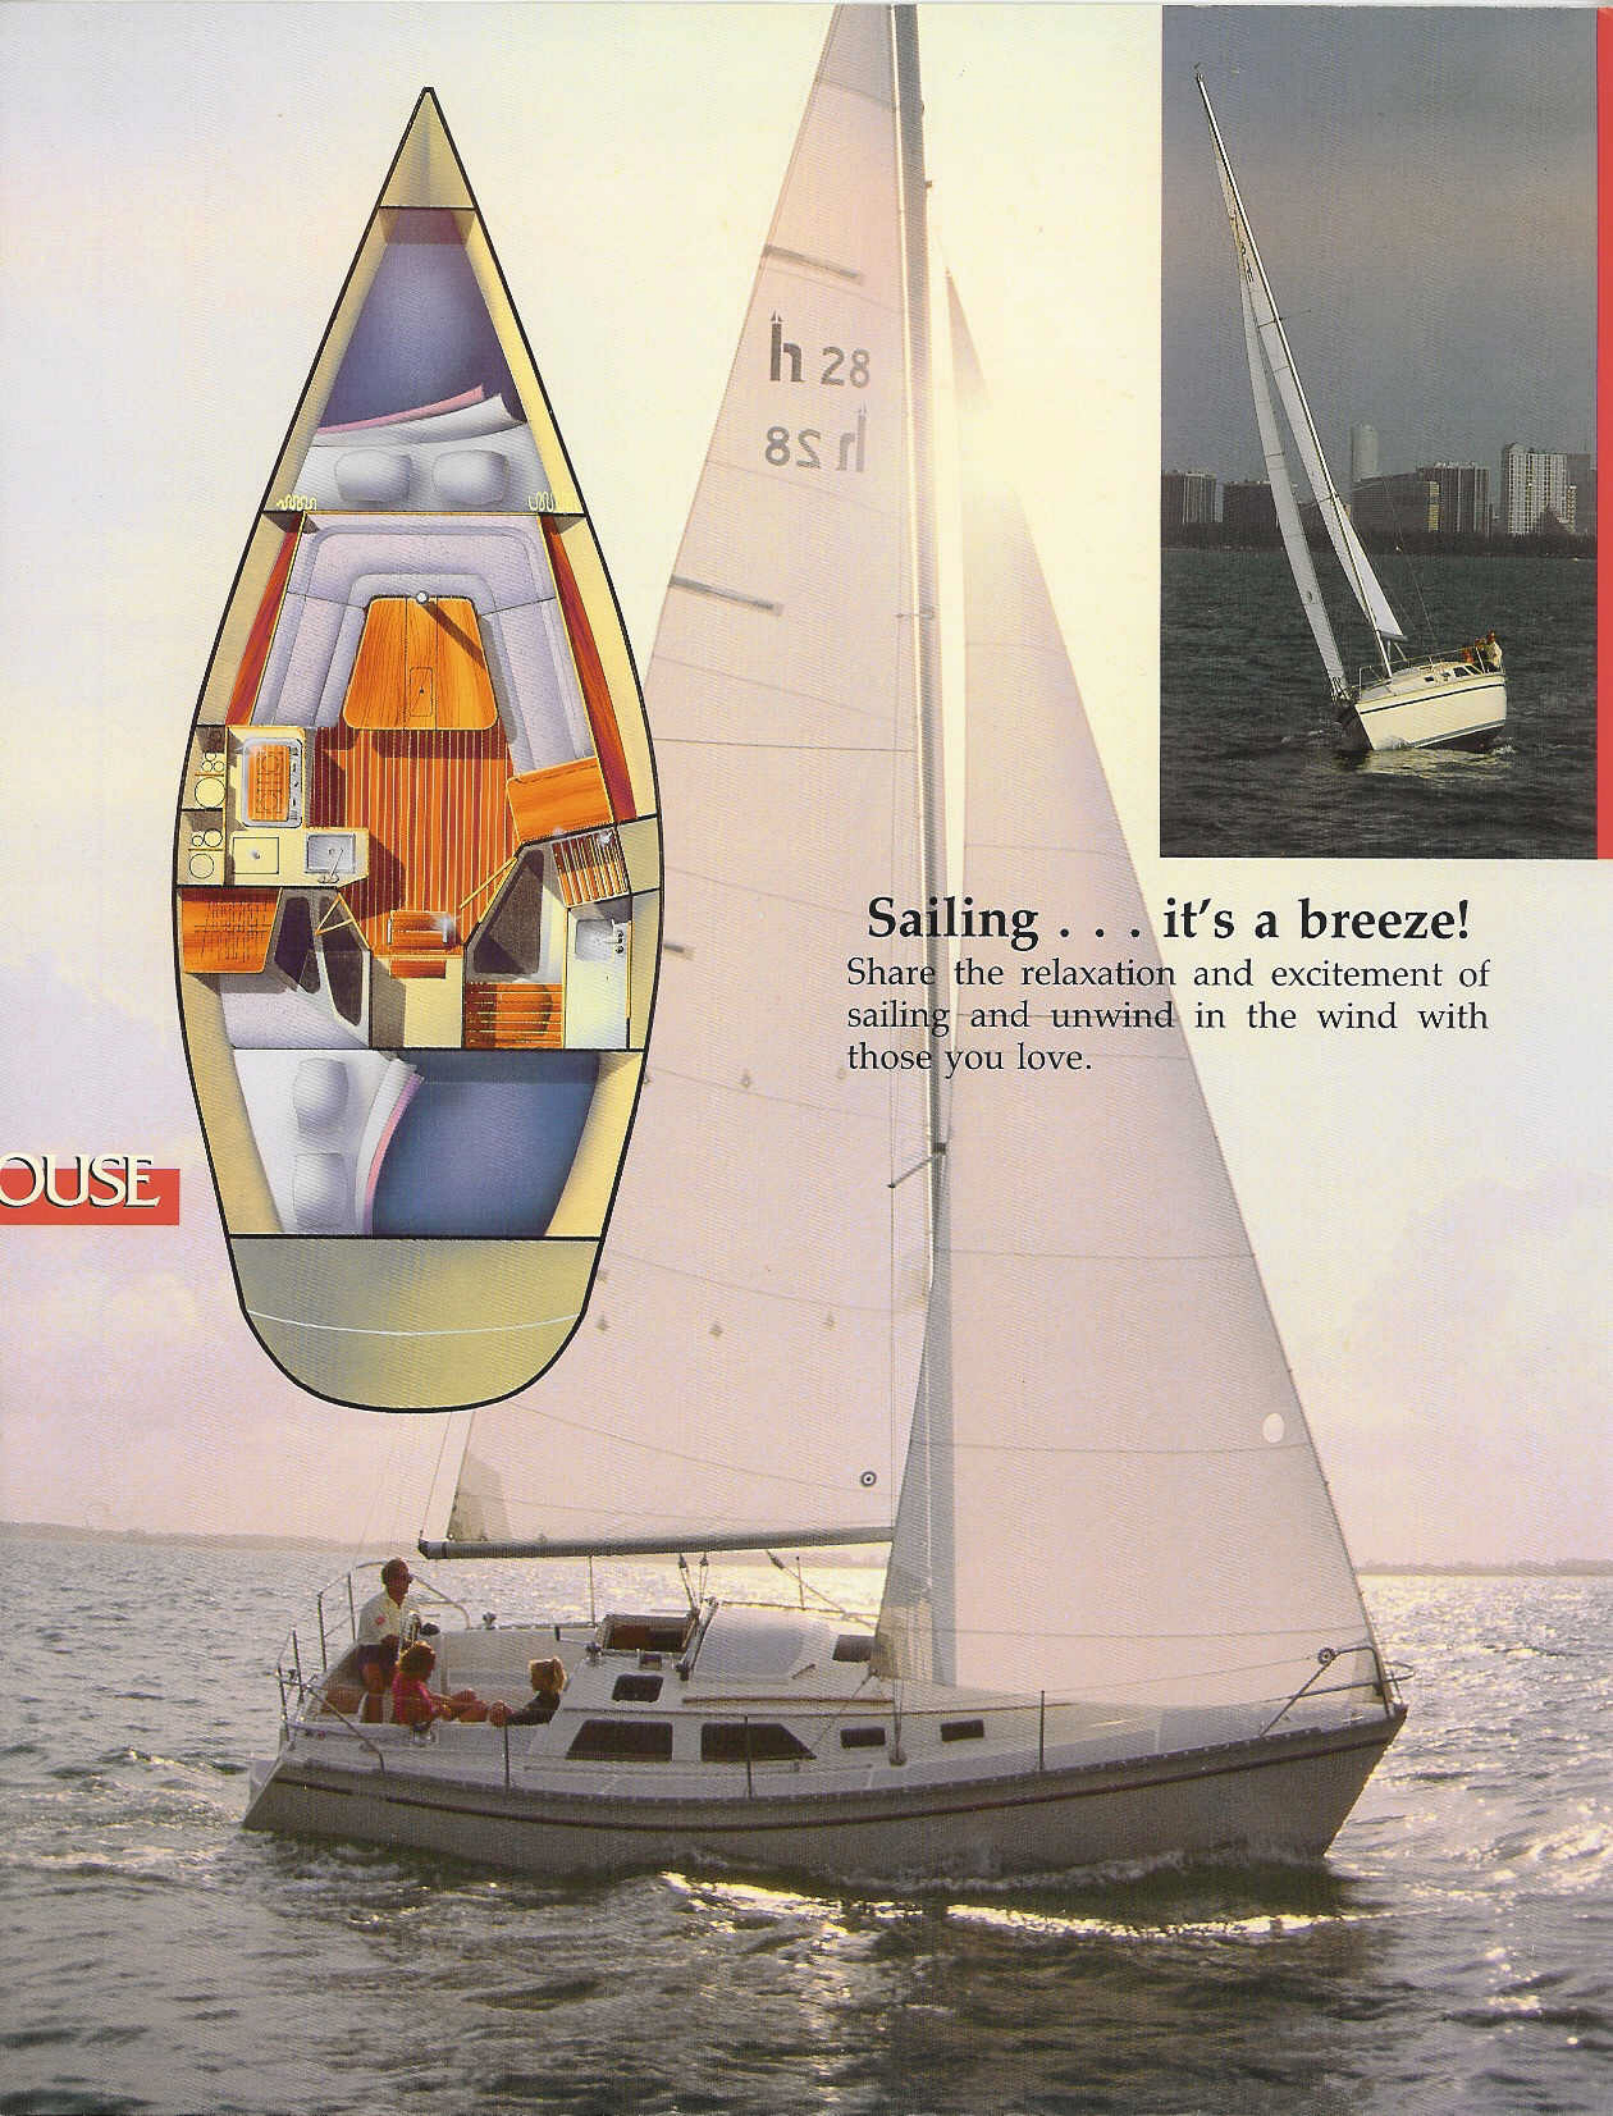

Hunter's new 28 offers a weekend and vacation gathering home afloat where the family will find a peaceful mind-setting, yet exciting environment away from the day-to-day hustle. We call it a

HOUSE

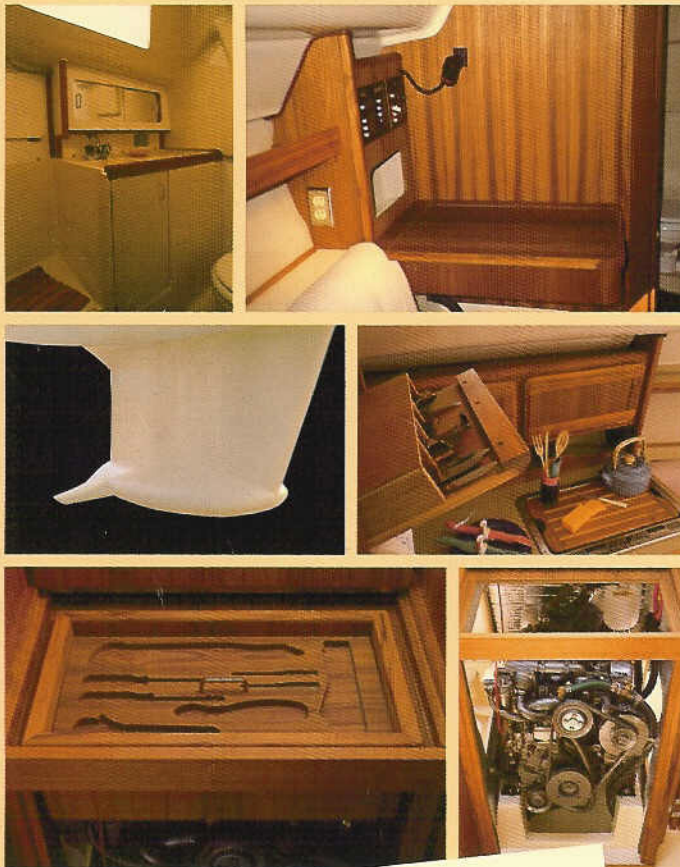

Sailing . . . it's a breeze!
Share the relaxation and excitement of sailing and unwind in the wind with those you love.

CRUISE PAC[®]
