Gori propeller

❖ The Worlds Leading 2 and 3 Blade *Folding* Propellers

Gori Marine world leaders in *Folding Propeller* development and technology.
The benchmark to which other folding propeller manufacturers aspire to.

2-Blade Folding Propeller

- ♦ Shaft Drive and Sail Drive
- ♦ Machined gears adjust automatically to the blade position which gives maximum speed - both under sail and power.

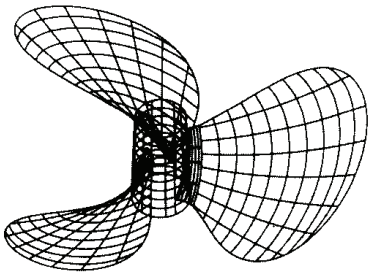

2-Blade Folding Propeller (Racing)

- ♦ Minimum Drag
- ♦ We have fitted to many high tech. yachts including Sydney to Hobart race winner "*Terra Firma*"

3-Blade Folding Propeller

- ♦ A Technological Breakthrough
- ♦ Overdrive facility enables vessel to run at the same speed but at a much *lower* rpm
- ♦ less noise and vibration
- ♦ better fuel economy
- ♦ A revolution for large sailboats and motor sailers

Austral Propeller Co.

- ♦ Fixed 2 and 3 Blade Yacht style propellers
- ♦ Fixed 3 Blade Aluminium Saildrive propellers
- ♦ 3 and 4 Blade Powerboat propellers
- ♦ Ski boat propellers

Autostream Propellers

❖ Australias Own *Self Feathering* Propellers

The **Autostream** 3 Blade *Feathering Propellers* are designed and manufactured in Melbourne. These feathering propellers are of excellent quality. The high strength of the 2507 Duplex stainless steel allows for blades which are very thin, symmetrical in section and virtually flat, resulting in minimal drag and turbulence over the rudder.

- ♦ 3 Blade
- ♦ 15" to 26"
- ♦ Shaft and Sail Drive
- ♦ Low Drag
- ♦ Adjustable Pitch
- ♦ 5 year Warranty
