

MacGregor 26 D & S Pop Top Cover:  
NOT TO SCALE

Pop Top Cover for MacGregor 26D&S (Factory spec.)  
NOTE: Measured to sewed seam. Add 1.25" to each measurement for seams.  
Snaps to be set to the boat. (about 3/4" in on cover)

Modafications: This cover leaks (In anything above a light rain) around the bottom ware it snaps onto the deck.  
To avoid this legthenen the side pieces by 3" and make a pouch to hold sand all along the bottom edge on the front and sides.

- 2 of these sides are required
